ABOUT CONFERENCE

To enhance synergy within the community and build toward a strong nation, Arts Commerce and Science College, is hosting an International E-Conference on 'Contribution of Various Aspects in Nation Building (CVANB-2021) is scheduled on 11, 12 & 13 October 2021, on the Occasion of India celebrating 'Azadi ka Amrut Mahotsav'. Nation-building can involve the use of propaganda or major infrastructural development to foster social harmony and economic growth, it requires a sense of belonging and a sense of pride, both of which cannot be instilled amidst exclusions, discriminations, inequities, injustices and inequalities.

The CVANB-2021 will bring together leading experts and young researchers, numerous delegates, academia, researchers, standards organizations and research institutes with aims to explore an ecosystem that supports the nation to live together in an orderly manner and to provide an allied platform for galvanizing partnership from multi-key stakeholders to capacitate human capital in becoming good, smart and courageous people who have a shared identity, ideology and goals.

In the modern era, nation-building referred to the efforts of newly independent nations, to establish trusted institutions. It also focuses on various modernization and innovation paradigms that may be applied to present practical and creative solutions to diverse issues in society.

The key intention is to provide opportunity for the global participants to share their ideas and experiences in person with their peers expected to join from different parts of the world. In addition to this, the gathering will help the delegates to establish research environment as well as to find the international linkage for future collaboration in their career path.
