REPORTS

Report on 'Guidance on Banking Literacy'

Arts, Commerce, and Science College in Maregaon has organized 'guidance program on banking literacy' on 14 September 2018 in the college auditorium. The program aimed to equip students with essential knowledge and skills related to banking and finance. 100 Students actively participated in the event. Distinguished experts from the Central Bank of India, CENT-FLC, Yavatmal were invited to deliver informative presentations on different aspects of banking literacy. They covered topics such as the role of banks in the economy, types of banking services, importance of savings, and the use of technology in banking operations.

'Guidance on banking literacy' dated 14 September 2018.

The program aimed to equip students with essential knowledge and skills related to banking and finance. Participants were provided with comprehensive resource materials, including handouts, brochures, and online resources, to support their learning and further enhance their banking literacy. The event featured expert

presentations, interactive sessions, role-plays, guest speakers from the banking sector, and comprehensive resource materials. Participants expressed their appreciation for the program's interactive nature and practical relevance. The program increased students' understanding of banking concepts and inspired them to explore careers in the banking and finance sector. College plans to organize further initiatives and collaborate with banking institutions to provide internship opportunities and industry exposure for interested students.

Report on 'Guidance on Competitive Exams'

Career Development cell of Arts, Commerce and Science College, Maregaon has organized workshop on the 'Guidance on Competitive Exams.' The guidance program took place on 09 February 2018 in the college auditorium. The program aimed to assist students in enhancing their knowledge and preparation for various competitive exams. The workshop covered a wide range of topics related to various competitive Exams. The event was well-attended by 100 students from different streams, including arts, commerce, and science.

Workshop on Competitive Exam Dated 09 February 2018. All the renowned speakers were invited to share their experiences and insights into the competitive exam landscape. Chairman Dr. A. N. Gharde provided valuable guidance and tips on how to excel in exams such as civil services, banking, management, and engineering. The guidance program included specialized workshops tailored to specific exams. Dr. Khade and Dr. Sodnar gave guidance on the exam patterns, syllabi, and recommended study materials,

helping students understand the nuances of each exam. Participants expressed their appreciation for the well-structured sessions, informative workshops, and the opportunity to interact with industry experts. Many students mentioned that the program boosted their confidence and provided them with a clearer roadmap for their exam preparation.

Report on 'Job Placement Drive'

Department of Chemistry, Arts, Commerce, and Science College in Maregaon has organized 'Job Placement Drive' on 12 September 2019 in the college auditorium. The event aimed to provide students of the Chemistry department with valuable employment opportunities and foster industry- academia collaboration. The primary objective of the job placement drive was to connect our talented chemistry students with prospective employers from the pharmaceutical industry. 50 Students actively participated in the event. Dr. Sandeep Kelode, Head, Dept. of Chemistry welcomed Dr. Amarsinh Nikam from Lupin Pharma. Dr. Amarsinh Nikam gave detailed information about the company's profile, its mission, and its career opportunities in the pharmaceutical sector. The presentation provided students with an understanding of the company's expectations and the potential growth prospects in the industry. The students were given an opportunity to submit their resumes and relevant documents to the Lupin Pharma recruitment team.

Job Placement Drive Conducted by Dr. Amarsinh Nikam, Lupin Pharma dated 12 September 2019.

The drive not only provided job opportunities but also enhanced students' confidence, professional skills, and understanding of the pharmaceutical industry. These collaborations aim to provide more placement opportunities, internships, and industry-oriented training programs for our students, enabling them to acquire the skills and experience necessary for a successful career in the field of chemistry.
