## **CELEBRATION OF WORLD WILD-LIFE WEEK:**

The Department of Zoology celebrate the wild-life week every year since 2014. The inaugural session was conducted on 3rd October and good presentations were given on ways and methods to conserve wild-life. In view of the same, poster competition was conducted on 4<sup>th</sup> October for the students from science stream in the college.

### **Observance of Wildlife week October 1<sup>st</sup> to 7<sup>th</sup>:**

- To create awareness among people on the conservation and protection of the wildlife.
- To focus the people attention towards the importance of conservation of forest genetic resources.
- To plant more trees to make the planet cool.
- To ensure sustainability of ecosystem services.

### **Tree Plantation:**

Arts Commerce and Science College Maregaon, had organized the event of tree plantation to mark INTERNATIONAL PLANTATION DAY on 22nd December 2017 under the theme, 'Today's Trees, Tomorrow's Future'. in the college campus, with great enthusiasm in which students participated in large number. Meaningful messages were put up all around on the importance of trees. The initiative was aimed to create awareness among students that Nature has endowed us with great gifts and it is our utmost duty to conserve it and also promoting the value of forests and trees, while providing an opportunity for everyone to contribute to beautifying the surroundings by planting trees. Trees are the foremost source for producing the oxygen in environment, they help to reduce the level of CO<sub>2</sub>. As we all know that the whole world is facing the problem of

global warming and to recover from such problem planting the trees is become one of the most important aspects today.

The Tree Plantation programme began with students gathering in the ground. In the spirit of the day, they had brought small little saplings to be planted in college ground and with the welcoming of Dr. Avinash N. Gharde, Principal, Arts Commerce & Science College, Maregaon. On this occasion, Principal, Dr. Avinash N. Gharde addressed the students and emphasized on conserving and protecting the environment wealth, urging students to save the environment by each one planting one sapling to prevent further desertification of the earth. He added that it is the responsibility of every one of us to not only grow trees but also taking care and protecting them. It was very inspiring. Then all students along with Dr. A. N. Gharde and teaching staff went on the selected spot for tree plantation. Then the first plant was planted with the hands of Dr. A. N. Gharde. The college students along with the faculty members planted saplings in the college campus. The program was inspiring for the students as they received motivation to save our environment and take care of it.
